

# FE1500 STRATUS MATTRESS: Inverted Side Seam Innerspring Mattress

★ Most Popular!

Made Rite Bedding's Foam Encased 1500 Stratus Mattress offers strong support and durability for institutional needs. The side seam construction is engineered to help prevent fluid penetration and interior contamination of the mattress. The antimicrobial cover also reduces the potential for infestation by bed bugs, lice, and other parasites. The FE1500 is Made Rite's flagship mattress and is one of the most popular mattress options for dormitories, barracks, camps, and medical facilities across the country.

## Benefits of the FE1500 Stratus Innerspring Mattress:

- ❖ Durability & Comfort
  - Innerspring unit is encased with extra firm perimeter foam for solid edge support
  - Upholstery includes medium-density foam layers to prevent sagging
  - FE Stratus Model, 6-1/2" height, 1-1/2" thick poly foam, density of 1.5 lb. per ft<sup>3</sup>
  - Two-sided firmness construction allows for the choice of plush firm (35ILD) on one-side and extra firm (45ILD) on the other side to satisfy individual preferences
- ❖ Cover
  - SoFlux-OX® antimicrobial breathable, polyurethane coated nylon fabric
  - Waterproof "Correct-Tick" extruded vinyl with additional bio-hazard protection
- ❖ Safety
  - Inner seam design has no tape edge, eliminating the main hiding place where bed bugs may reside and lay eggs & greatly reducing the risk of parasite infestation on the mattress
  - Flammability - Manufactured with Integrity 30® Fire Barrier system to conform to the full-scale burn tests of Federal CPSC 16 CFR PART 1633, California Technical Bulletin #129 and Boston Fire Department IX-11.
- ❖ Warranty
  - 3 Year limited pro-rated warranty
