

SPC FIBERCORE MATTRESS: Inverted Side Seam Fiber Mattress

Made Rite Bedding's Stellar Performance Core Mattress Line offers the perfect mattress for institutional needs. Our cover and side seam construction allow the mattress to have waterproof, washable, anti-microbial, and bed-bug proof capabilities. The interior fibercore provides excellent cushioning, durability, and support for the sleeper with the added benefit of being fully recyclable. The SPC line of mattress is an excellent cost-effective option for campgrounds, mental facilities, prisons, and trucks alike.

Benefits of the Stellar Performance Core Mattress:

- ❖ Durability & Comfort
 - Fibercore High-density polyester blend available in various densities depending on the preference of the customer, replacing the need for expensive springs and foam to fill the mattress
 - Recyclable This 100% recyclable mattress provides a green alternative to traditional mattresses
 - Two-sided construction allows for use on both sides for extended mattress life
- ❖ Cover Options
 - SoFlux-OX® antimicrobial breathable, polyurethane coated nylon fabric
 - Waterproof "Correct-Tick" extruded vinyl with additional bio-hazard protection
- ❖ Safety
 - Inner seam design has no tape edge, eliminating the main hiding place where bed bugs may reside and lay eggs & greatly reducing the risk of parasite infestation on the mattress
 - Flammability - Manufactured with Integrity 30® Fire Barrier system to conform to the full-scale burn tests of Federal CPSC 16 CFR PART 1633, California Technical Bulletin #129 and Boston Fire Department IX-11.
- ❖ Warranty
 - 1 Year limited pro-rated warranty
